

20 July 1955

MEMORANDUM FOR: All Staff and Division Chiefs

SUBJECT: Attached Memorandum

25X1

1. You will recall that Mr. Baird asked Mr. Wigner at the Senior Staff Meeting on 18 July to reduce to writing the sense of certain comments he made orally at this meeting on the Clark Committee Report.

2. Attached hereto is Mr. Wigner's memorandum to Mr. Baird. It is being forwarded to you, because I believe that you would want to have it as background for further briefing of your colleagues. It is, in my opinion, a good summary of what Mr. Wigner has said at clandestine Services Staff Meetings on this subject.
